ANM Cube Assessments for

Volume Hiring

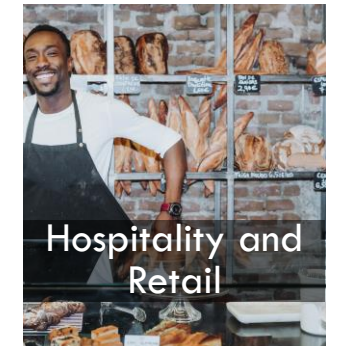

Our tailored pre-employment assessments are crafted to screen and assess job applicants, for volume-hiring requirements. The designed assessments are straightaway fit to assess Go-to-Market profiles, requiring 0-3 Years of experience, not limited to:

- Fresher Sales and Marketing
- Fresher Customer Service and Success
- Fresher Recruitment teams
- Fresher Tech Positions, and more.

Strategic Hiring

Apart from standard pre-employment assessments, ANM Cube co-creates tech and industry-specific assessments with client teams, to save their time and effort of pre-screening. We help companies with Strategic and Senior Hiring in tech and non-tech profiles, not limited to:

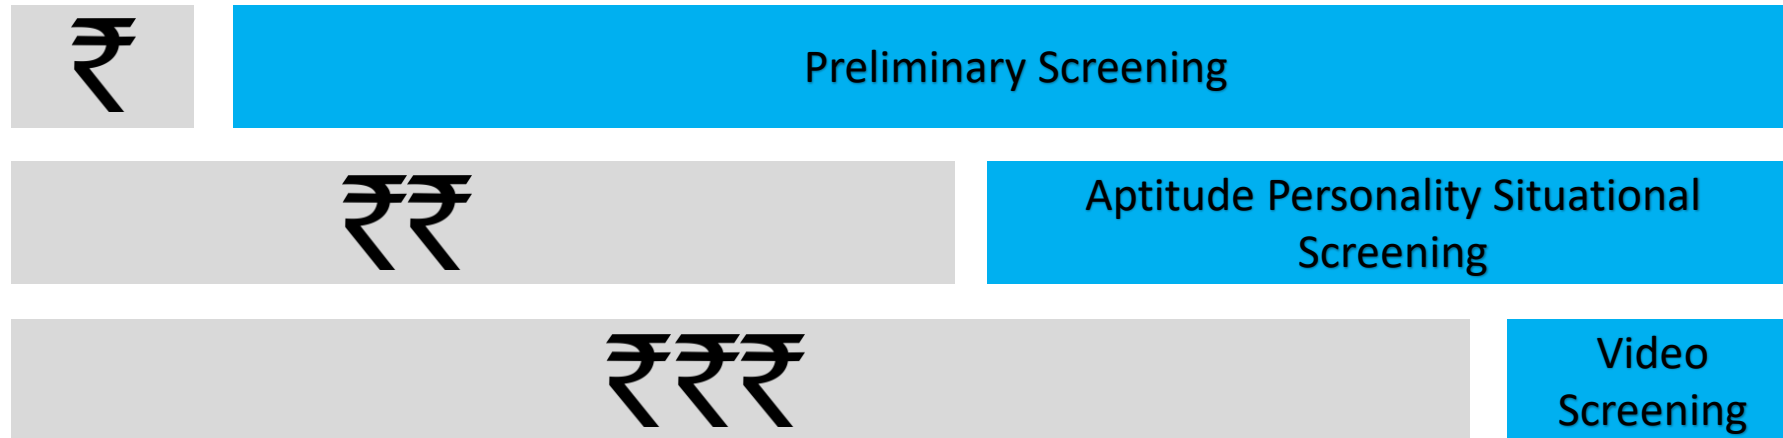

- IT Professionals
- Digital Marketing and Graphic Designers
- Senior Sales, Presales and Marketing Experts
- Project Managers, and more.

Innovative Modular Pricing

ANM Assess

- You route applicants, received through internal job posts or recruitment partners, to appear for an automated assessment on the ANM Assess platform.
- You get an AI-assisted employability report along with a video interview sample of every applicant that helps you zero down on the right candidates for the final interview round(s)
